

# Direct Selling Solutions from Exigo and GlobalOnePay, Your Tokenization Provider

- GlobalOnePay is the exclusive token storage provider for Exigo, now offering a wider range of powerful merchant services
- Our technology and experience connect direct selling companies with more consumers and distributors worldwide
- Benefit from powerful solutions so you can grow faster
- Operate globally, accept over 80 currencies and connect to over 130 payment networks and banks

Exigo has teamed up with GlobalOnePay to offer a more complete and robust solution to the direct selling industry. As the exclusive token storage provider for all of Exigo's clients, GlobalOnePay now also provides access to a wide variety of products and services to help you sell more, expand your global reach, plus save time and money.

## Global direct selling industry solutions

Whether you're connecting with clients face to face, through social media or your website, GlobalOnePay makes it simple to expand into new international markets. As your local global partner, we help you easily access the world's most desired markets, with no added investment or change in your business infrastructure. Sell more, sign more distributors and offer flexibility and security — no matter where or how you operate. And as a Direct Selling Association Supplier Member since 2003, you have the confidence knowing the GlobalOnePay team has a deep-rooted understanding of your industry that can help you grow and succeed.

## Powerful revenue-generating features

- Access over 80 currencies with multi-currency pricing (MCP).
- Automate recurring payments, plus seamlessly update expired credit cards.
- Qualify for lower interchange rates and reduce cross-border fees with Smart Transaction Routing.
- Reduce risk and chargebacks with our Risk as a Service program.
- Accept a wider range of card brands and alternative payments, including UnionPay credit and PIN debit.
